

# FOOD manufacture

## **Food Manufacturing in Melbourne - Ref: 3140**

Takings: \$5,000,000 per annum approx

This food manufacturer has a long history, and a well known brand name.

Products are sold through supermarkets, wholesalers and restaurants in Australia

The factory/processing plant has advanced and complete equipment, imported at a high cost to the current owner.

The excellent equipment can be used to expand the business even further (extended shifts, expanded production lines)

This food manufacturer is an industry pioneer.

Provides stable and sizeable income

Same owner for 20 years, now retiring.

Current owner can stay with the business to provide ongoing assistance if requested.
