

Central Kitchen in Clayton South Ref: 19242

- A promising central kitchen under construction in Clayton South
- The proprietor has completed the design and some major works
- A great design layout and fully functioning kitchen
- Water & electricity lines and has been basically completed and installed, walk-in cold room, freezer and grease trap etc
- On a long lease and very low rent of \$1,500 per month
- Now selling, due to the current finance issue
- Huge potential after the establishment of the central kitchen, it can provide small shops, supermarkets and grocery stores with accompanying products
- Great opportunity to operate a revenue-generating business
